EVEN NEW TOY NOTHING TO LAUGH AT . . .

Now there baby, don't cry. You're going to get a new toy. Thirteen-month-old Timothy Schneider doesn't look impressed but as soon as he sees his new cuddly toy, he'll be fine. The Victoria Kinmen club Saturday presented stuffed toys to the children in Kelowna General hospital. This has become a tradition with the Victoria Kinmen, who ever they visit a city to attend a convention they bring with them toys for the children's ward of the hospital. Mrs. Rose LaPietre of Victoria is trying to convince Timothy.

## Kelowna Trio Hurt In Crash

Three Kelowna people were injured, one seriously, when a car in which they were riding left the highway Saturday night and crashed into a clump of trees near Banff.

In Mineral Springs Hospital with a possible fractured skull and undetermined back injuries is John Ross, 18, advertising salesman with the Courier. He is a son of Mr. and Mrs. W. Arnold Ross of 368 Cadogan Avenue.

Also injured were Olivia Lanz, 26, of Beavon Road, R.R. 3, who sustained head and facial cuts, and Shirley Renwick, of 1294 Devonshire Avenue, suffering from a fractured shoulder.

According to reports received in the city, John Ross left Kelowna Saturday with his two friends to visit Banff.

The sports car he was driving developed clutch trouble at Golden, and the Kelowna trio were offered a lift.

They accepted, and police said the car in which they were passengers, skidded off the wet pavement, crashed over an embankment, and struck some trees. Main force of impact was the rear of the car.

The condition of the Ross boy was termed serious and X-rays are being taken today to determine the full extent of his injuries.

## Eaton Sees Dual Attack

DETROIT (CP)—Russia and China will strike together in Viet Nam within one to four weeks, says Cyrus S. Eaton. The United States will not yield and there will be world catastrophe.

"They will hit with everything they've got," he said. "I tell you that they mean it."

The prediction was voiced Monday by the Cleveland financier and industrialist in a report to the Economic Club of Detroit on a three-week visit to Russia and other Iron Curtain countries in Europe. His audience, leaders of the city's industrial and business community, was unresponsive.

"In my sober judgment, we are on the brink of catastrophe. Unless some miracle occurs in the next month I feel that mankind is doomed," Eaton said.

In a subsequent press conference and interview, the native of Pugwash, N.S., said general war in Viet Nam is certain. Then the losing side would drop an atomic bomb. "All one can do is accept one's fate."

"LEAVE VIET NAM" Eaton, 81, called upon the leaders of American business to band together to force a "sane" policy upon the Johnson administration. He made it clear that a "sane" policy would mean immediate American withdrawal from South Viet Nam.

The Vietnamese would then be able to choose their own form of government and it would not necessarily be communist.

## Bombed City Greets Queen

COLOGNE (Reuters)—Queen Elizabeth of Britain was given a warm welcome today in Cologne—a West German city devastated by British bombers in the Second World War.

She began a one-day tour of the lower Rhineland and the Ruhr by driving to the town hall through cheering crowds to 12 persons deep.

Good weather has followed the monarch throughout her state visit to West Germany, scheduled to last 11 days, and her luck continued today. Rain lashed the royal train as it sped north up the Rhine Valley but when it reached Cologne the sun was shining.

After leaving Cologne, the Queen's party arranged to visit Dusseldorf and Duisburg.

Spring Freeze Just "Thinner" SEATTLE (AP)—Instead of a "killer" the early spring freeze in Chelan, Douglas, and Okanogan counties was more like a "thinner," the Washington State crop and livestock reporting service said today.

The agency said apple prospects in the north-central areas "are better than previously thought."

"Many orchards received a good thinning, possibly excessive, from the frosts," the report said.

In the Lower Yakima Valley, where growing conditions were good last week, growers estimated they would have a 50 per cent apple crop.

In western Washington, effects of the freeze on strawberries and raspberries showed up in the blooming period "with many black blossoms." Damage was spotty and varied from county to county.

## Saturn Roars On Ninth Life

CAPE KENNEDY, Fla. (AP)—The Saturn I super rocket thundered to its ninth straight successful test flight early today and drilled into orbit a mammoth "space bird" satellite.

The satellite, Pegasus II, unfolded two giant wings to a span of 96 feet—greater than most four-engined airliners—and began swooping through space like a great bird.

It was to measure tiny meteoroids and the hazard they pose to astronauts making lengthy space trips.

## WILD PLOT OF NEGRO REVOLT UNVEILED IN DYNAMITE TRIAL

NEW YORK (AP)—A wild plot for a Negro revolution, including the machine-gunning of crowded city streets and aerial destruction of the U.S. Capitol and the White House, was unveiled Monday in federal court.

Its goal was said to be establishment of an all-black government hierarchy in the U.S. The scheme was attributed to Robert S. Collier, 29, purported leader among three men on trial on federal charges of conspiring to blow up the Statue of Liberty, the Washington Monument and the Lincoln Memorial.

Earlier this month, Michelle Dukes, 26, a French-Canadian blonde from Montreal, pleaded guilty to smuggling dynamite into the U.S. in connection with the plot to blow up the monuments. She is to be sentenced June 9. The conspiracy charge which still is outstanding against her is expected to be dismissed.

Detective Raymond A. Wood, 32, an undercover New York City policeman in Collier's Black Liberation Front, testified that Collier outlined the rebellion plan to him last Dec. 16—a day after the Negro extremist claimed to have talked at the United Nations with Ernesto "Che" Guevara, No. 2 man in Cuba.

Thirteen demolition teams were to spearhead the uprising, Wood said. "The Capitol and the White House were scheduled to be completely destroyed by air."

## Optimistic, Pessimistic Views For Dominican Coalition

SANTO DOMINGO (CP)—ask them for an explanation of the Dominican rebels were optimistic today and the Americans pessimistic about prospects for a coalition government. The junta showed no sign of giving way.

A rebel spokesman said negotiations to form a government headed by Antonio Guzman Fernandez, agriculture minister under deposed president Juan Bosch, were "very advanced." But a U.S. spokesman, noting strong opposition to Guzman from the junta, said prospects for a quick settlement were still dim.

Sources close to the junta and the junta forces, arranged last week to remove the dead and wounded from the streets of the capital, has been extended informally.

Both sides indicated they would not initiate renewed fighting while negotiations for a permanent settlement of the month-old civil war continued.

## De Gaulle Assassination Plot By OAS Reportedly Smashed

PARIS (CP)—Interior ministry officials announced today the foot of a staircase leading to another extreme right-wing military museum at Montparnasse was found to be loaded with four pounds of explosives which were to be touched off by a radio signal. The fusing system failed to function.

An ornamental flower pot at the foot of the staircase leading to the museum at Montparnasse was found to be loaded with four pounds of explosives which were to be touched off by a radio signal. The fusing system failed to function.

The latest attempt to take the life of the French president was to have been made with a body-trained statue of the First World War Premier Georges Clemenceau during De Gaulle's tour of Western France last week.

The six arrested men, ranging from a school teacher to a doctor, were part of the same gang that tried to kill De Gaulle last August with a booby-trapped flower pot.

De Gaulle and several members of his cabinet escaped death last Aug. 15 while attending a ceremony near Toulon during the commemoration of the Second World War Allied landings in southern France.

## Montreal Park A Battleground With 14 Officers "Wounded"

MONTREAL (CP)—Squads of billy-clawing police waded into separatist demonstrators and "hooligans" Monday night to end 10 hours of violent Victoria Day celebrations in the downtown area.

Police said 154 persons, including 15 juveniles, will face charges today for disturbing the peace, resisting arrest and assaulting police officers. Fifty-nine others were released after questioning.

Fourteen police officers, including an RCMP plain clothes officer, were injured by flying rocks and other debris, none of them seriously.

Seven police cars and a police ambulance received minor damage and scores of windows were broken near eastern LaFontaine Park, where the demonstrations were held.

A fire set by young demonstrators destroyed the ticket booth of the park zoo.

ISSUES WARNING Five Molotov cocktails were taken from youths as more than 1,000 persons milled around the park.

The day began with a bomb blast in the downtown area, continued with protest marches and rallies and ended with acts of hooliganism.

Quebec Justice Minister Claude Wagner warned that further incidents by misguided extremists will receive harshest treatment from police than in the past.

The demonstrators gathered originally to protest the celebration of Victoria Day in French-Canada.

It was the second consecutive year of serious separatist Victoria Day outbreaks.

In 1964, 45 persons were arrested when thousands of jobless men were rallied to break up a crowd of fire-towers and machine throwing demonstrators in the same park.

Following separatist rallies at LaFontaine Park in the afternoon police thought they had the situation under control. However, Police Director Adrien Robert said scores of police were rushed into the park area at nightfall as lawless "hooligans" and a sprinkling of separatists milled about.

Months before, midnight police with megaphones began clearing demonstrators and spectators out of the park. The crowd spilled onto Sherbrooke Street, tying up traffic.

Youths With "Quebec Libre" Signs Start Marching Along Main Highway

A group of 500 marchers, led by youths carrying a Quebec flag and another with a "Quebec Libre" (free Quebec) sign, started marching along the main traffic artery.

Police cars came from several directions and drove a wedge into the marchers, who ran back to the park.

They reformed in the park shortly before midnight but police waded into the group and made dozens of arrests, throwing those caught into paddy wagons.

The use of force and wholesale arrests finally dispersed the hundreds of youths gathered around the park.

The Victoria Day police started with an explosion on downtown Dorchester Boulevard in the Presidential Assassination Co-Led building without injuring anyone.

The bomb blast, the worst in Montreal for some months, demolished the front door and part of a wall of the 12-story building.

Glass from windows as high as the sixth floor of the building, which also houses the British information service and trade commission, was scattered the width of the right lane boulevard.

The bomb, made with four sticks of dynamite and a timing device, was found and examined hurriedly by two patrolling policemen. Records before it went off. No one was injured.

Two sticks of dynamite, minus a detonator, were also found at the central post office.

### Shah Backs Canada's Move

MONTREAL (CP) — The Shah of Iran, on a two-day visit to Montreal as part of his state visit to Canada, came out strongly in support of Canada's suggestion that there should be a permanent United Nations peace force when he answered questions at a press conference here Monday.

Of the American attacks in Viet Nam and the Dominican Republic, the Shah said: "Either you are for or against the principle of standing against aggression and I see no difference between standing against aggression in Viet Nam and in the Dominican Republic. I think of more the responsibility of the OAS to get together and find a solution."

"It is clear the United Nations is not as strong as it should be. If it was an agency would have to take on the responsibility of the United Nations," he said.

### Adjudicator "Not Kind"

BROCKVILLE (CP) — "My job is not to be kind, but to be fair." With those words, the first Canadian to adjudicate the Irish Drame Festival in 1966, began his week-long task of judging productions by seven amateur theatre companies from across Canada.

The first production, Guy Beaulieu, 43, director of theatre for the ministry of culture in Quebec, appraised was Brendan Behan's The Hostage by Lakeside Theatre Productions of Ottawa.

He said director Joe O'Brien's interpretation of the boisterous Irish play Monday night was "a bit confused."

In many places, the comedy was too broad, and thus the cast missed the deeper, more cynical moments of the play. "I did not feel the characters came alive enough," they were still a bit too stagey.

IRA VS. BRITISH The play, which takes place in a Dublin bawdy house, is about an innocent British soldier who is taken hostage by the Irish Republican Army. His capture is in reprisal for the British decision to hang an Irish rebel the next day in Belfast.

LONDON (AP) — Three years and nine months after it was stolen from Britain's National Gallery, the Goya portrait of the Duke of Wellington was returned Saturday apparently unharmed.

The Goya was collected Friday night, identified Saturday and is now in a safe at the gallery.

The portrait appears to be in good condition—but it will not be exhibited until it has been subjected to expert examination, the gallery said.

The person who stole the Goya had entered the National Gallery Aug. 22, 1961, during the day, waited until the gallery closed for the night and then made off with the painting sometime before midnight.

Because the painting was so well known it was difficult to keep the thief at one point wrote offering to return the Goya to the gallery for £140,000 (\$420,000 ransom). This offer was rejected.

### Celebrations At "George"

PRINCE GEORGE (CP) — This bustling city near the geographical heart of British Columbia gave itself a birthday party during the weekend. It was a three-day, blowout commemorating the city's 50th year—a party that involved a 300-performer pageant, races of various descriptions, a production of dances and an ocean of liquor to match the mood.

Through 50 years old, Prince George has looked only in recent times and still retains much of a pioneer flavor which is represented by the rough northwestern men who come to "town" weekends.

The four-hour pageant was staged by Fran Dower, the man who put the goldrush town of Barkerville in business. The figures were well on their way to being surpassed this party weekend.

The Grand Trunk Pacific Railway—now part of the Canadian National Railway—was cut north in 1914 and Prince George became a city in 1915, but the boom was short-lived and it sat on its haunches for another 35 years.

The party paid homage to the city, but in essence it was to the white spruce tree. Exploitation of the tree explained a population increase in the city years began his week-long task of judging productions by seven amateur theatre companies from across Canada.

## Profits International Set-Up Puts Whammy On Stock Trade

By JOHN BELANGER  
Canadian Press Staff Writer

Profit-taking and an uneasy international situation cut into share values on Canadian stock exchange this last week.

Trading was moderate. On the Toronto Stock Exchange, as on the Montreal and Canadian stock exchanges, a decline in interest in foreign shares was coupled with losses in the main list. Although most drops were fractional, some issues had hefty dips.

Industrials and western oils each declined while base metals—especially the senior industrial group—saw sharp upward moves.

What had become a torrent of corporate news concerning increased earnings slowed to a trickle this week as only a handful of issues reported better profits. Included were M. Loeb, Hemfield Building and Nova Scotia Light and Power.

Bank stocks continued to drop in profit-taking after rising heavily two weeks ago. Lower were fractionally lower, among senior base metals, Falconbridge rose 1/2 to 10 1/2, and Hudson Bay 2 1/2 to 19 1/2.

### TODAY'S STOCK QUOTATIONS

TORONTO (CP) — Sagging senior base metals paced a declining stock exchange in moderate morning trading today.

Speculative issues traded lightly and were lower. Inco fell 1 1/2 to 98 among senior metals while Rio Algom and Noranda each fell 1/2 to 18 1/2 and 34 1/2. Hudson Bay dropped 1 1/2 to 7 1/2 and Denison 1 1/2 to 30 1/2. Cominco dropped 1/2 to 45 1/2.

Burns and Maves-Perguson each declined 1/2 to 30 1/2 and 31 1/2 among industrial, C.P.I. after falling as much as 1 1/2 just after the opening, recouped and settled at 62 1/2, down 1/2. Bell Telephone dropped 1/2 to 60 1/2 and Union Gas to 20 1/2.

U.S. Ford dropped 2 1/2 to 10 1/2 in light trade, and Royal Bank lost 1/2 to 79.

Banff Oil fell 15 cents to \$8.10 among speculative oils and Anglo United Development fell 9 cents to \$1.25.

In gold, Dome fell 1/2 to 37 1/2. Canadian Superior fell 1/2 to 23 1/2 among senior western oils. On index, industrials fell 1.22 to 175.14, the Toronto Stock Exchange index 1.18 to 164.67, golds 63 to 155.50, base metals .84 to 84.72 and western oils .58 to 110.05. Volume at 11 a.m. was 844,000 shares compared with 828,000 shares traded at the same time Friday.

### Weekend Toll Set At 85

By THE CANADIAN PRESS

Accidents during the long Victoria Day weekend took the lives of at least 85 Canadians, with highway fatalities accounting for 54 victims.

A survey by The Canadian Press also showed 27 persons drowned, one woman killed in a fire and three persons killed in accidents of miscellaneous origin.

The Canadian total fell short of last year's mark of 94, the highest since 1952 when a record 100 persons died in accidents. The number of road deaths this year was also less than the 60 deaths predicted by the Canadian Highway Safety Council and the 64 recorded in 1964.

Ontario had the worst record. During the survey period, from 6 p.m. Friday to midnight Monday local times, the province reported a record 38 deaths—there were 23 road deaths, 12 drownings and one man apparently asphyxiated. The previous Ontario high was 33 deaths last year and in 1962.

Quebec reported the next highest total with 17 deaths, including nine on the road, seven drownings and the woman killed in a fire.

Two provinces reported no fatalities at all—Prince Edward Island and Alberta.

British Columbia reported nine road deaths and three drownings, while Saskatchewan had six traffic deaths, with five persons killed in a single accident. Manitoba had one traffic death and two drownings.

Nova Scotia reported three drownings and two persons killed in other accidents. Newfoundland and New Brunswick each reported one traffic death. The survey does not include industrial or natural deaths, known suicides or slayings.

### Train Hits Car Leaves 5 Dead

LINCOLN, Ala. (AP) — A train slammed into a stalled car at a crossing, killing five persons—three of them children who were trapped inside the vehicle. Talladega County Coroner Clinton Perkins called the Monday night wreck one of the worst he had seen.

Killed were Clifton Groce, 33; Sarah Groce, 28; Rhonda Groce, 18 months; Lisa Groce, 3; and Dolly Mae Cunningham, 2, all of Lincoln.

The coroner said Mr. and Mrs. Groce apparently were trying to take the children out of the car as the 16-car Southern Railway train struck the car.

# Oriental Land of Oz Scene Of Knette Pagoda Luncheon

By FLORA EVANS  
Kettle Women's Editor

Highlight of the Knette activities during the Bousontime Kettle was the Pagoda Luncheon held at the Kelowna Aquatic on Sunday. The Kelowna Knette were the hostesses and the luncheon was attended by 400 delegates from more than 100 visiting Knette clubs.

The Aqua Ballroom, verandah and lounge were beautifully decorated with a theme of "Oriental Land of Oz". The luncheon was held in the ballroom where the delegates were seated at round tables.

## LAND OF OZ

As each Knette club wore their own costumes, and these were diverse, original and colorful, the general effect was that of a vast, colorful, and original display of costumes.

The Knette clubs were divided into four groups: the Kelowna Knette, the Kettle Knette, the Kettle Knette, and the Kettle Knette. Each group wore a different costume.

## TROPHIES PRESENTED

A very important feature of the luncheon was the presentation of trophies to the visiting Knette clubs.

CHARMING TWO-PIECER

Little girls' dresses are gentle, lovely and most becoming for summer. This one is an excellent example of how pretty and dainty the new fashions are. The two-piece features a short-sleeved high-collared bodice of white pique with scalloped trim around the bottom. It is embellished in pastel flowers and banded with a pastel ribbon which has a tailored

look in the front. With the top is worn a delightful matching patterned skirt. It is of pastel cotton to match the top.

Over the past few years the Lions' Ladies have presented several wheel chairs, beds, walkers, canes, and various other articles to the local Red Cross and the award was presented to Mrs. Denney by Alan Gilroy, president of the Kelowna Red Cross at a recent public gathering.

The ladies were asked to bid for the Lions' Drum Major Band from Esquimalt during the Kelowna Regatta and it was decided this would be dealt with at the June meeting.

## More Pre-Fight Ballyhoo Fails to Stir Box Office

LEWISTON, Me. AP— and other extras may make this Heavyweight champion Clay's \$500,000 promotion fight with Sonny Liston, scheduled for a battle that will be the first of a series of fights which will be held in five cities in North America.

Clay, 25, earlier had predicted he would flatten his rival in nine rounds, three rounds and a half. On the eve of his first defense, however, he would not predict any round.

"I'm just going to beat that tired old man," said Clay, winner of all 20 of his pro fights, 16 by knockouts.

"I'm gonna get him on a knockout," said Liston, listed as 11 but believed to be at least

five years older. I made a mistake I ain't gonna make again. I got new plans. If he comes to fight, I'll be short. If he comes to run, I'll have to trap him."

LET HIM COME

"I'm gonna get him on a knockout," said Liston, listed as 11 but believed to be at least

five years older. I made a mistake I ain't gonna make again. I got new plans. If he comes to fight, I'll be short. If he comes to run, I'll have to trap him."

Under Maine rules, there will be a non-voting referee and three judges. The judges will score the fight on the 10-point must system in which the winner of each round gets 10 points and the loser nine or less.

## TWILIGHT FIXTURE AT GOLF COURSE

A special member-only twilight golf tournament and buffet dinner is slated for the Kelowna Golf and Country Club Saturday May 29.

Members are invited to make their own foursomes or have their names placed on the list in the clubhouse with tee-off time requested.

Tee-off is from 5 p.m. on, and new members are especially invited.

The event is a combined operation of the club's entertainment committee and ladies' section. It will be an excellent way to meet the older members and have fun too.

The evening will include prizes, raffle, dinner and dancing.

# Sting Ray Sweeps Sunday's Hill Climb

Under near perfect road and weather conditions, the Okanagan Auto Sports Club revived its eighth and most successful hill climb Sunday at Okanagan Centre. As 60 drivers pushed and roared their revved-up machines over the hilly twisting winding road and a sad mile of hill country, some 3,000 spectators watched proceedings in short sleeve weather.

The course route, 12 miles north of Kelowna, rises 800 feet with an average eight per cent grade. The course is set out from the Okanagan Centre to the north end of the lake, past the Okanagan Centre, through the hills, and back to the Okanagan Centre.

The test time was clocked by Laurie Craig of Vancouver. He steered his Corvette Sting Ray to a winning 1:28.2.

All entries had one practice run before they took their three timed shots at the challenging route. Their best time was used to determine winners.

Cars came from all over B.C. and parts of Alberta for the event, sanctioned by the Canadian Auto Sports Club.

Narrow roads created the event and the only delay in the smooth operation was some radio trouble at the starter's table around mid-day. After the

kinks were ironed out communications were rapidly back to normal. Two cars plowed into bales of hay used as buffers on curves but both continued on their runs after momentary delays.

## Freehan Provides "Bite" As Tigers Feed On Sox

By HAL BOCK Associated Press Sports Writer

Bill Freehan thinks like a pitcher.

If he thought like a batter, Chicago White Sox' pitching staff might really be in trouble.

As it was, Freehan made a homer capped a six-run Tiger rally in the third that erased an early 2-0 Chicago lead.

In the fifth inning Freehan tagged another homer, his third of the season, closing Detroit's scoring.

Elsewhere in the American League, New York Yankees thumped Cleveland Indians 15-3, and Baltimore Orioles nipped Washington Senators 2-1.

"He knows my pitches, what I like to throw, and when I like to throw it," says Lolich. "He thinks like a pitcher. And he never lets his hitting interfere with his catching."

Freehan's hitting was certainly interfering with the White Sox' catching. His grand-slam homer capped a six-run Tiger rally in the third that erased an early 2-0 Chicago lead.

Elsewhere in the American League, New York Yankees thumped Cleveland Indians 15-3, and Baltimore Orioles nipped Washington Senators 2-1.

Freehan's slugging helped Mickey Lolich to his sixth victory of the season and, if you take Lolich's word for it, his batterymate's catching didn't hurt the effort.

## Bridge Service Rallies For Win

A grand slam home run by Midvalley's Robert Houghton was all in vain as Bridge Service rallied to win 11-0 in Little League action Saturday at Kelowna.

Down 6-0, Midvalley exploded for all their runs in the top of the third inning, and Houghton's four-run shot climaxed the uprising.

Bridge Service got three back in the bottom of the same frame and added two more in the fifth to sail away the contest.

Brian Vetter, Terry Englund, Reggie Rantucci, and Mark Lang all hit two-for-three for the winners while Drew Trent hit the game for the losers.

Rantucci also hit his first Little League home run. The winning pitcher was Lang while John Lemmer was the loser.

Tonight at 6:30, Day's and Midvalley tangle at Little League Park.

## TWO NATIONAL TEAMS SELECTED BUT . . .

# Ski Plans Include Young Hopefuls

TORONTO (CP) — The Canadian Amateur Ski Association picked two national teams, seeded their members and devised a method of hurrying the development of young hopefuls at its three-day annual meeting here during the weekend.

The two national teams — for Alpine and Nordic events — are composed of Canada's 91 top skiers.

The Alpine team, which will compete in downhill and slalom races, was broken down into an A team — for top international and national events — and a B team for more local meets.

All members will attend Notre Dame University in Nelson, B.C., where they will combine studies with ski instruction from national coach Dave Jacobs.

The A team has nine members — four women and five men. Best-known member of the team is Nancy Greene of

Rosland, B.C., winner of April's United States combined Alpine championship at Crystal Mountain, Wash.

Members of the Nordic team, which will be coached by Russell Smart of Ottawa, include 22 jumpers and 43 cross-country racers, including six women.

The jumpers have been divided into two groups — four for international competitions and 18 for local meets.

The cross-country specialists have not yet been seeded as to ability. Only their age was taken into account.

Jacobs will also have to keep an eye on a new group called Les Espoirs (The Hopefuls).

This group of younger skiers, not yet named, will complement and back up the A and B Alpine squads. Jacobs says he hopes they will form the nucleus of a national team for the 1972 Olympic Games.

The 130 delegates to the meet-

ing, which wound up Monday, also voted to canvass industry and the public for a fund of \$150,000 to support both the Alpine and Nordic teams.

The fund should last until after next February's world championships in Norway and will help get the Canadian team to Oslo, said Bill Tindale of Montreal, newly-elected association president.

The association voted to apply a 50-cent membership fee to all members in order to raise more funds. Previously, the fee was applied only to senior members.

An association spokesman said after Monday's meeting that the Canadian Centennial Commission will be asked to finance a world junior ski championship in Banff and Lake Louise, Alta., in 1967.

The official said the meet, which would cost about \$150,000 to stage, could be held on hill-

## Music Students Very Busy at KHS

By SIDONIE MITCHELL

This past month has been a very busy one for the music students of Kelowna secondary school. During the month the junior symphony members travelled to New Westminster to play an exchange visit at the Vincent Massey secondary school. Following this trip a group of music students from the Viscount Bennett secondary school in Calgary travelled to Kelowna to play in a concert with our seniors.

This past week was highlighted by the 29th Okanagan Regional Music Festival held this year in Vernon from May 13 to 15. On Saturday morning the junior strings groups held close competition among themselves. The grade VIII string ensemble topped the grade IX ensemble for the honors, with a total of

82 points. Both groups played exceptionally well. The Junior symphony orchestra won a trophy over the string orchestra by a small margin. The symphony received 85 points and no total was given for the string orchestra. All of the above mentioned groups are under the capable hands of Mrs. MacLean Angus.

Following the larger string groups, four string quartettes tied for top honors. The winning quartette, made up of Linda Williams first violin, Jill Pottinger second violin, Martina McKinley viola, and Pat Simpson cello, had a total of 85 points. Donald Greening's quartette came second with a total of 83 points. Catherine McNair's and Sharon James' quartettes tied for third place, with each having a total of 80 points.

## Graduation Ceremonies, Track Keep Secondary Youngsters Busy

By DONNA HAMMOND

It would appear that school activities are at a low ebb for the moment. However, I am sure we are just getting up a fresh head of steam so we can keep up with final social events prior to school closing—and of course we must remember those exams starting about June 15 for those of us that have been postponing for the last 10 months.

However, all has not been dormant; plans are going ahead for the grade XII and XIII graduation ceremonies. On Tuesday May 25 they are having their banquet at the Carr and I hear a swim goes along with it. Then the big event of the year is the dance on May 28.

Another active group of course is our track and field athletes. They have been busy getting in condition for the zone, and of course the big Valley competition on June 5. The track people have been holding small meets

## Crowning Miss McIntosh Important Rutland Event

By SHIRLEY HITTEL

Rutland was the host to the track meet held Saturday, May 15. The results were as follows: Lundy, 26; Rutland, 15; Kelowna, 14; Vernon, 13; and Armstrong, 5. It was a good track meet and Rutland did very well.

We finally had our own school track meet on Tuesday, May 18. The victorious Monarchs surged ahead with the high score of 651. Second was the Seabees with 477 points and third was the Cascades with 444 points. This year the track meet started at 10 a.m. instead of the usual 12:30 p.m.

### QUEEN CROWNED

Getting off the subject of track meets, our new Miss McIntosh VII, Linda Cross, was crowned on May 15 at the Rut-

land elementary school auditorium. Mrs. James Kelly, formerly Marion Oliver, Dolores Bach, and Mrs. Peter Oliver, for Mrs. Mary Lou Boyd, Frances Sahli, Ann Patrol, and Carol Wood. They were all very lovely models.

Besides receiving the crown and the banner, the Queen also received a lovely, long, black and white cape which I must say looks lovely on Linda.

The princesses this year, each received a star in addition to their banners. And the girls gave wonderful speeches and reflections on the year of their reign. Linda Cross, the new queen, gave a very good speech and the crowning there was an excellent fashion show of clothes and hair styles.

Two lovely little children, Carmen Kelly and Jay Oliver, modeled clothes. The hair styles were lovely creations. The girls modeling fashions were the six candidates and the past Miss McIntosh queens of whom were:

this year and in the past. Linda Cross presented her with flowers which she very highly deserved for all she had done. The ceremony was beautiful and I wish Linda the best of luck in this year's Lady-of-the-Lake contest. Rutland can be very proud of all these girls.

### GRADUATION

Rutland's graduation is right around the corner. We'll be having exercises and dance on May 28. All the grads are quite excited and all look forward to the "big day."

The ISCF Club is also planning for graduation. Right after the banquet and exercises they will be attending a grad party. Their president, Carol Olson, is doing a great deal to make this a worthwhile and memorable event.

## Negro Teachers "Being Fired"

NEW YORK (AP) — Jack Greenberg, director-counsel of the NAACP legal defence fund, says a trend of "wholesale dismissal" of Negro teachers is emerging throughout the southern states.

He says school officials in North Carolina, Texas and Virginia are letting more than 500 Negro teachers go this year and are hiring whites to fill some of the vacancies.

Greenberg, addressing a luncheon meeting of the Federal Bar Association, said Monday that most of the dismissals were the result of "freedom of choice" plans which allow Negro pupils to transfer into previously all-white schools. The plans have led to surpluses of teachers in some areas, he said.
